Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the San Diego County Shoreline (Encinitas-Solana Beach) Project in fiscal year 2022.

The entity to receive funding for this project is the U.S. Army Corps of Engineers. The non-federal sponsors of the project are the City of Encinitas, located at 505 S. Vulcan Avenue, Encinitas, CA 92024, and the City of Solana Beach, located 635 S. HWY 101 Solana Beach, CA 92075.

The funding would be used to fund an authorized U.S. Army Corps of Engineers project. The project involves an initial volume of 340,000 cubic yards of sand along 7,800 feet of beach in Encinitas and 700,000 cubic yards of sand along 7,200 feet of beach in Solana Beach.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin". The signature is fluid and cursive, with a prominent "M" and "L".
